Statement 17 Form 990, Part IV-A Public Support

As reported on its 2006 Form 990, the Organization's public support percentage is 31.75%. This amount is slightly below the required 33.33%. During 2005, the Organization was the recipient of a very large grant in the amount of \$4,500,000 which caused the public support percentage to dip below the required threshold. Had the Organization not received this grant, it would easily meet the public support test.

The Foundation satisfies the facts and circumstance test of Regulations Section 1.170A-9(e)(3) and qualifies as a public charity because:

- * Its public support is well in excess of the 10% requirement.
- * It maintains an active program to solicit grants.
- * Its Board of Directors is representatitve of the public, rather than any donors' interest.
- * Its programs are available to the public.
